

Special Resolution

Change to the Rules of the PC Users Group (ACT) Incorporated (As Amended to 3rd October 2006).

17. Election of Committee Members

(7)

Delete:

A person is not eligible to simultaneously hold more than one position on the Committee.

Add:

A person is eligible to simultaneously hold more than one, but not exceeding two positions, on the Committee.

Reasons

At present it appears very few members of PCUG wish to volunteer for positions on the Committee.

Current members of the Committee have now been on the Committee since 2015 and so far we have lost three members since then.

It is common practice on other Volunteer organisation where executive positions such as Secretary/Treasurer are held by one person.

Payments are required to be authorised by two people this will continue.
